Eligibility Criteria

↳ Nationality

Applicants may be a national of a EU Member State, of an Associated Country or of any other third country.

↳ Early Stage Researcher (ESR)

At the time of recruitment* by the host organisation, candidates must hold an academic degree that enables her/him to undertake doctoral studies. Preference is given to applicants with MSc or equivalent degree.

At the time of recruitment* by the host organisation, candidates must be in the first four years (full-time equivalent research experience**) of their research careers and not yet have been awarded a doctoral degree.

↳ Mobility Rule

At the time of recruitment* by the host organisation, candidates must not have resided or carried out their main activity (work, studies, etc.) in the country of their host organisation for more than 12 months in the 3 years immediately prior to the reference date.

Compulsory national service and/or short stays such as holidays are not taken into account. As far as international European interest organisations or international organisations are concerned, this rule does not apply to the hosting of eligible researchers. However, the appointed researcher must not have spent more than 12 months in the 3 years immediately prior to the recruitment at the host organisation.

*Date of recruitment' means the first day of the employment of the researcher for the purposes of the action (i.e. the starting date indicated in the employment contract/equivalent direct contract)

** Full-Time Equivalent Research Experience is measured from the date when a researcher obtained the degree which would formally entitle him/her to embark on a doctorate, either in the country in which the degree was obtained or in the country in which the researcher is recruited or seconded, irrespective of whether or not a doctorate is or was ever envisaged.
